This razor is a fantastic deal

This is a Vintage Carl Abr. Everts, Solingen, Germany Straight Razor. Imported and sold by Wester Bros. New York and is an extremely beautiful collectors straight razor. From the early 1900, it has been handed down from grandfather to father to son to grandson.

It comes with the original pins, bolsters, scales and storage box. The razor is in very good condition. There is a little bit of tarnish on the blade. The razor's case shows wear and tear. The razor in the case measures 6,5" in length. The blade measures 9/16" in width. The manganese blade has the manufacturer's name engraved as "CARL ABR EVERTS SOLINGEN. Solingen, Germany is the home of some of the finest knives in the world. Please see all photos for detailed condition.

Wester Bros, originally founded in 1891, was located in New-York: 1904-1967 and sold imported shaving products made by Wester & Butz, (1832) and Carl Abr. Everts, Solingen, Germany.

Manganese steel, also called **Mangalloy** or **Hadfield steel**, is a steel alloy containing an average of about 1.2 percent carbon and 13% manganese; it is known for its high impact strength and resistance to abrasion.
